Ruhollah **Taghizadeh**

POSTDOC RESEARCHER

Department of Geosciences, University of Tübingen

 ruhollahtaghizadeh.netlify.app | RuhollahTaghizadeh | RuhollahTaghizadeh | RuhollahTaghiz

Professional Training

Data Science and Machine Learning

Associate Data Scientist, DataCamp	2023
Data Scientist with R, DataCamp	2023
R Programming A-Z: R for Data Science, Udemy	2022
Oxford Machine Learning Summer School, AI for Global Goals	2022
Deep Learning in R with Keras, Udemy	2019

Spatial Data Analysis

Google Earth Engine for Remote Sensing and GIS, Udemy	2022
Open Source Solutions for Earth System Data, OpenGeoHub	2022
Modeling Water Fluxes in the Soil-Plant System, UCLouvain	2022
Spatial Sampling, Wageningen University & Research	2021
Uncertainty Propagation in Spatial Modelling, Wageningen University & Research	2020
Geostatistics, Wageningen University & Research	2019
GEOSTAT Summer School, OpenGeoHub	2018
Digital Soil Mapping, ISRIC	2018
Digital Soil Mapping with R, The University of Sydney	2012

Leadership and Management

Leadership- Plan, Act, Reflect, University of Tübingen	2023
Agile Project Management for Research, University of Tübingen	2022
Project Management for Researchers, University of Tübingen	2022
Research Funding from Industry, University of Tübingen	2021
Leading Virtual Teams, University of Tübingen	2021
Grant Proposal Writing, University of Tübingen	2021
Writing Strategies and Techniques for Postdoctoral Researchers, University of Tübingen	2018
Ph.D. Supervision Process, University of Tübingen	2018

Science Communication

Science Communication, University of Tübingen	2022
Displaying Results in Figures, University of Tübingen	2021
Slidewriting and Storylining, University of Tübingen	2021
